#### FROM THE PASTOR...

Hello everyone,

A hello to you all! As we continue meeting online, I want to encourage you to "stir up" (2 Timothy 1:6) the faith that is in you. The phrase "stir up" is one word in the Greek and it refers to stirring the remains of a dying fire so that it can burn bright again. Since we are apart, it is easy for our faith to grow cold. Yet even in troublesome times, God's word emphasizes the importance of having a faith that is on fire for Christ. Since we cannot meet at church, this highlights the importance of prayer, Bible reading and study, and following Christ daily. If we walk in the light, as He is in the light, then we are not in darkness (John 8:12).

Remember, God knew this pandemic was coming, and He is still on the throne. Therefore relinquish your fears, anxieties, and concerns to Him who knows you better than you know yourself, and loves you with an everlasting love (Jeremiah 31:3).

In Him, Jason
